# *7 Days of Prayer*

---

## Day 1 – Awareness & Truth

Scripture: Proverbs 31:8–9

Prayer Focus: Eyes opened to see trafficking in all its forms—labor and sex trafficking, coercion, fraud, and exploitation close to home.

Prayer: God of truth, open our eyes to injustice that hides in plain sight. Help us recognize exploitation in our communities and respond with wisdom and courage.

Action: Learn one local sign of trafficking.

## Day 2 – Survivors

Scripture: Psalm 34:18

Prayer Focus: Healing, safety, dignity, and restoration.

Prayer: God who draws near to the brokenhearted, surround survivors with protection, peace, and hope. Restore what has been taken and remind them of their worth.

Action: Pray silently for survivors currently seeking safety.

## Day 3 – Prevention & Youth

Scripture: Matthew 18:6

Prayer Focus: Protection of children and vulnerable adults; early intervention.

Prayer: Lord, place a hedge of protection around our children and youth. Strengthen families, schools, and churches to recognize risk and prevent exploitation before it begins.

Action: Commit to one conversation about online safety.

## Day 4 – Community & Churches

Scripture: Micah 6:8

Prayer Focus: Churches as safe, informed, responsive spaces.

Prayer: God, equip Your church to act justly, love mercy, and walk humbly. Help us be a refuge for those in need and a voice for those silenced.

Action: Identify one way your church can partner locally.

# 7 Days of Prayer

## Day 5 – Advocates & Frontline Workers

Scripture: Galatians 6:9

Prayer Focus: Strength, wisdom, and protection for advocates, healthcare workers, law enforcement, and shelter staff.

Prayer: Lord, renew the strength of those who serve tirelessly. Guard their hearts, minds, and families as they walk alongside survivors.

Action: Pray by name for a local agency or worker.

## Day 6 – Justice & Accountability

Scripture: Isaiah 1:17

Prayer Focus: Accountability for traffickers; just systems.

Prayer: God of justice, disrupt systems that allow exploitation to continue. Bring accountability where there is harm and transformation where there is brokenness.

Action: Pray for ethical leadership and policy decisions.

## Day 7 – Hope & Restoration

Scripture: Revelation 21:4

Prayer Focus: Long-term healing, freedom, and hope.

Prayer: God of restoration, we trust You to make all things new. Let hope rise where despair once lived and freedom replace fear.

Action: Commit to ongoing prayer or support beyond this week.

Throughout the Week of Prayer, we invite you to stand in prayer for survivors of human trafficking, youth, advocates and frontline workers, and our communities as we seek hope, healing, and an end to trafficking.
